

JOIN CITAS AS A TRUSTEE!

CITAS is a registered Charity and non-profit organisation based in Hammersmith.

We provide community language services in over 55 languages to the health and public sectors across West London and beyond.

We operate from two offices in **Palingswick House**:

- a Service Bookings Office
- and a Management and Outreach office.

Our 10th anniversary in July 2009 was attended by over 100 community members and local dignitaries, acknowledging our work in the community.

We are now looking for **new trustees** to take up office before the end of 2009 and work alongside five other Board members to help run our business in a legal, friendly way as part of a strong team.

This will require **attendance at Board meetings**, which are held for a couple of hours in the evening, approximately 6 times a year;

an Annual General Meeting; and a Christmas social event.

There may also opportunities to become more involved in **CITAS** work in a throughout the year.

For an informal chat in the first instance please call me, **Malika Hamiddou**, **CITAS General Manager on 020 8600 3838 or on 0783 435 6818.**
